I got them both, thanks. Strange. I can receive attachments much larger than the combined 11MB...

I sent two separate emails, if you still don't get them, I'll upload to Sharepoint.

I just forwarded that to you—I forgot to send it last week--. It's a large attachment, so let me know if you didn't get it.

Eugenia – when we last discussed this you said that Ed was pulling together the ADCP data and all of the correspondence related to the analysis of the backscatter data. Have you gotten anything from Ed?

Subject: ADCP data

Hi Eugenia

With all that's happened since June, I've lost track of this.

- 1) Did EPA/HDR ever send the rest of the ADCP data we requested?
- 2) We would like to approach OSI for more info on how the backscatter was processed - the tech report really doesn't say much. Since this was done for CPG, I can't approach OSI directly. Can you facilitate that?

Thanks

Cliff
